Robbers Cave State Park (918) 465-2562

Hwy 2 N, Wilburton, OK 74578

Robbers Cave State Park is located in the scenic, hilly woodlands of the Sans Bois Mountains of southeast Oklahoma. This park is a favorite of rappellers, equestrians, hikers and outdoor lovers. The park and adjoining wildlife management area offers acres of discovery and enjoyment including trout fishing in season, hunting, miles of hiking and equestrian trails, rugged cliffs for climbing and fall foliage viewing. Robbers Cave also enjoys notoriety as a former hideout for outlaws Jesse James and Belle Starr.

Robbers Cave State Park is an 8,246-acre park with 189 combined lake acres with Lake Carlton, Lake Wayne Wallace and Coon Creek. Take a horseback ride along scenic bluffs, enjoy excellent fishing opportunities for trout, perch, bass and catfish, or hike to the famous outlaw cave hidden in the formation of sandstone hills and cliffs that range from 300 to 1,500-ft in height.

Lodging has been reserved at Belle Starr View Lodge inside the park. Every room of this lodge commands an impressive view of Coon Creek Lake and the forested valley below. 10 rooms are reserved and are non-smoking and feature two double beds, a coffeemaker, microwave, mini-refrigerator and satellite television. Rooms at the lodge can accommodate up to four guests. Robbers Cave State Park requires a 2 night stay at the lodge. Reservations for the SWCS block of rooms have to be made by May 6th. Attendees staying only one night can make reservations in the following hotels in nearby Wilburton, OK: Hi Way Inn Express, Travelers Inn Motel

We encourage everyone to bring their family to the meeting. A family night is planned for Friday night, and a cave tour will take place on Saturday morning. As mentioned above there is swimming, hiking, canoeing, paddle boating, fishing, sightseeing and many other activities that will make for a great family weekend vacation.
